STARTING SECONDARY SCHOOL
IN 2022

The registration of interest for secondary school form allows parents of students starting secondary school in 2022 to nominate their preferred school.

The registration of interest for secondary school form is now **available online**.

You can access the online form from a computer, tablet or mobile phone, as long as you can connect to the internet. It replaces the old paper form used by schools to record and submit registrations for secondary school.

Simply follow the steps below.

STEP 1 From **Term 2** you will receive an email or letter with a unique URL for the registration of interest for secondary school form for your child.

STEP 2 Complete all mandatory fields.

STEP 3 Once you have completed each page click on the 'NEXT' button.

STEP 4 Once you have filled out all pages click the 'SUBMIT' button.

Paper forms are available from your public primary school if you cannot access the internet. Parents of private school students wishing to attend a public secondary school in 2022 are asked to email education.startingsecondaryschool@sa.gov.au for a form.

What do you need to do now?

Make sure your child's primary school has your current email address and your child's correct residential address.
